

PROCEDURES: 12/31/99 December Close Time Frame

The following is the December 28, 1999 Monthly Close Time Frame for both ISIS and Non-ISIS agencies. Please use only what is applicable to your agency.

Date

Function

Monday 12/20/99

J1s with a December effective date for check cancellations (CX Type 3) must be on SUSF at a PEND4 status by 9:00 a.m.

All Check Cancellation Forms (CX) with a December effective date must be at the State Treasurer's Office (STO) by 11:30 a.m.

Thursday 12/23/99

All Agencies should process all payment transactions by 6:00 p.m. for all invoices that are due and payable by January 14, 2000. This would include only those items that you have received and been invoiced for by December 23, 1999. Agencies may pay items such as rent, dues and subscriptions and maintenance agreements for the month of January.

NON-ISIS Warrants (P1) having a December effective date must be at the OSRAP by 11:00 a.m.

An accounts payable liquidation for fiscal year 1999-2000 with a December effective date will be allowed for all accepted payment vouchers for which cash exists. Checks will be produced on December 28, 1999. EFTs will be transmitted on December 24, 1999. This is the last check write for December. The December monthly close will be run the night of December 28, 1999.

Sunday 12/26/99

Payroll checks dated December 31, 1999 will be printed. Agencies will receive detailed instructions from the Office of Uniform Payroll about deadlines and requirements involved with the early payroll process.

Tuesday 12/28/99

**NOTE: This is the last day to process transactions if a December effective date is desired. Those transactions that affect financial data must reach an accepted status in AFS by 5:00 p.m. This includes all transactions from interfaces, AGPS and CFMS.**

The payroll interface for the 12/31/99 payday will be run during the nightly cycle. J5 transactions which reject from the 12/28/99 (check date 12/31/99) pay period interface may be corrected by the agency after January 1, 2000 when the system is available.

Wednesday 12/29/99 -  
Friday 12/31/99

Agencies will not have access to ISIS on these dates.  
**Agencies that interface transactions to AFS must not send files on these dates.**

NYTI will be run during the nightly cycle of December 28, 1999. 1099's will run on December 29, 1999. Reports will be available during the day on December 29, 1999 in BUNDL.

A standard 80-hour payroll run will be printed as part of OSUP's contingency plan. These checks will be held for use in the unlikely event that the system is still down two weeks into January, 2000. If not needed, the checks will be destroyed.

Monday 01/03/00

Agencies will be allowed into ISIS. Accounting period 07 00 will be open. Agencies may resume sending interface files. OSRAP will resume printing checks.

**NOTE: ALL CMIA Agencies please be aware that checks will be printed on 12/28/99 for scheduled payment dates through 1/14/00. Checks will not be printed on 12/29/99 or 12/30/99. Checks will not be issued for payment vouchers accepted on 12/28/99 until the system is operating normal after January 1, 2000. Adjust your draws from Federal Granting Agencies accordingly.**

The 12/31/99 payday for the pay period ending 12/26/99 will post in AFS on 12/28/99.

**NOTE ALL CMIA AGENCIES: Payroll will not post in AFS on the regularly scheduled posting date. Payroll will post early to enable the determination of the amount to be drawn on 12/28 instead of 12/29 for the pay period ending 12/26/99.**
